

170x130 Sustainable Paper Hand Waving Flags

Last Updated: 14/09/2022 11:29:00

Paper hand waving flags are ideal for supporters and spectators to wave at events **indoors or outdoors**.

Made from **sustainable, recyclable & environmentally friendly** materials; both the pennant **and** the flagstick are made from **paper**, which are easily recycled with domestic or commercial paper and card.

Designed to exceed child-safety regulations in the UK and Europe, our flags are regularly tested to pass **EN71** toy safety standards and are **UKCA** and **CE** marked.

Each flag is made with automated machinery to ensure quality, consistency, reliability, and production efficiency.

Looking for more 'real-estate'?

Try our A5 (210mm x 148mm) flags for increased print area, or supersize your brand promotion with our A4 (297mm x 210mm) flags for maximum impact.
